

§ 92.212

(2) The participating jurisdiction must establish a minimum tenant contribution to rent.

(3) The participating jurisdiction's rent standard for a unit size must be based on:

(i) Local market conditions; or

(ii) For each unit size, may not be less than 80 percent of the published Section 8 Existing Housing fair market rent (in effect when the payment standard amount is adopted) nor more than the fair market rent or HUD-approved community-wide exception rent (in effect when the participating jurisdiction adopts its rent standard amount). (Community-wide exception rents are maximum gross rents approved by HUD for the Rental Certificate Program under 24 CFR 882.106(a)(3) for a designated municipality, county, or similar locality, which apply to the whole PHA jurisdiction.) A participating jurisdiction may approve on a unit-by-unit basis a subsidy based on a rent standard that exceeds the applicable fair market rent by up to 10 percent for 20 percent of units assisted.

(i) *Housing quality standards.* Housing occupied by a family receiving tenant-based assistance under this section must meet the requirements set forth in 24 CFR 982.401. The participating jurisdiction must inspect the housing initially and re-inspect it annually.

(j) *Security deposits.* (1) A participating jurisdiction may use HOME funds provided for tenant-based rental assistance to provide loans or grants to very low- and low-income families for security deposits for rental of dwelling units whether or not the participating jurisdiction provides any other tenant-based rental assistance under this section.

(2) The relevant State or local definition of "security deposit" in the jurisdiction where the unit is located is applicable for the purposes of this part, except that the amount of HOME funds that may be provided for a security deposit may not exceed the equivalent of two month's rent for the unit.

(3) Only the prospective tenant may apply for HOME security deposit assistance, although the participating jurisdiction may pay the funds directly to the tenant or to the landlord.

24 CFR Subtitle A (4-1-12 Edition)

(4) HOME funds for security deposits may be provided as a grant or as a loan. If they are provided as a loan, the loan repayments are program income to be used in accordance with § 92.503.

(5) Paragraphs (b), (c), (d), (f), (g), and (i) of this section are applicable to HOME security deposit assistance, except that income determinations pursuant to paragraph (c)(1) of this section and Housing Quality Standard inspections pursuant to paragraph (i) of this section are required only at the time the security deposit assistance is provided.

(k) *Program operation.* A tenant-based rental assistance program must be operated consistent with the requirements of this section. The participating jurisdiction may operate the program itself, or may contract with a PHA or other entity with the capacity to operate a rental assistance program. The tenant-based rental assistance may be provided through an assistance contract to an owner that leases a unit to an assisted family or directly to the family. In either case, the participating jurisdiction (or entity operating the program) must approve the lease.

(l) *Use of Section 8 assistance.* In any case where assistance under section 8 of the 1937 Act becomes available to a participating jurisdiction, recipients of tenant-based rental assistance under this part will qualify for tenant selection preferences to the same extent as when they received the tenant-based rental assistance under this part.

[61 FR 48750, Sept. 16, 1996, as amended at 62 FR 28928, May 28, 1997; 67 FR 61756, Oct. 1, 2002]

§ 92.212 Pre-award costs.

(a) *General.* Before the effective date of the HOME Investment Partnership Agreement, the participating jurisdiction may incur costs which may be charged to the HOME allocation after the award of the HOME allocation, provided the costs are in compliance with the requirements of this part (including environmental review requirements) and with the statutory and regulatory requirements in effect at the time the costs are charged to the HOME allocation.

(b) *Administrative and planning costs.* Eligible administrative and planning

costs may be incurred as of the beginning of the participating jurisdiction's consolidated program year (see 24 CFR 91.10) or the date the consolidated plan describing the HOME allocation to which the costs will be charged is received by HUD, whichever is later.

(c) *Project costs.* Eligible project costs may be incurred during the current program year in an amount not to exceed 25% of the current HOME allocation amount, to be charged to the following year's HOME allocation. Before incurring the pre-award costs, the participating jurisdiction must comply with its citizen participation plan requirements addressing 24 CFR 91.105(b)(2), (4), (5) and (g) (local governments) or 24 CFR 91.115(b)(2), (4), (5) and (f) (States). In lieu of a full action plan, the participating jurisdiction may develop a mini-action plan which describes the proposed pre-award projects and costs in accordance with 24 CFR 91.220(c) and includes, if applicable, 24 CFR 91.220(g)(2) (local governments) or 24 CFR 91.320(c) and, if applicable, 24 CFR 91.320(g)(2) (States). The mini-action plan must state that HOME funding for the project(s) is subject to the future availability of HOME funds. The subsequent action plan (i.e., action plan for the HOME allocation to which the costs will be charged) must also include the use of HOME funds contained in the mini-action plan.

(d) *Subrecipient or State recipient costs.* The participating jurisdiction may authorize its subrecipient or State recipient to incur pre-award costs in accordance with the requirements of this section. The authorization must be in writing.

(e) *Other pre-agreement costs.* Pre-agreement costs in excess of the amount set forth in paragraph (c) of this section must be approved, in writing, by the HUD Field Office before the costs are incurred.

§ 92.213 [Reserved]

§ 92.214 Prohibited activities.

(a) HOME funds may not be used to:

(1) Provide project reserve accounts, except as provided in § 92.206(d)(5), or operating subsidies;

(2) Provide tenant-based rental assistance for the special purposes of the

existing section 8 program, in accordance with section 212(d) of the Act;

(3) Provide non-federal matching contributions required under any other Federal program;

(4) Provide assistance authorized under section 9 of the 1937 Act (Public Housing Capital and Operating Funds);

(5) Provide assistance to eligible low-income housing under 24 CFR part 248 (Prepayment of Low Income Housing Mortgages), except that assistance may be provided to priority purchasers as defined in 24 CFR 248.101;

(6) Provide assistance (other than tenant-based rental assistance, assistance to a homebuyer to acquire housing previously assisted with HOME funds, or assistance to preserve affordability of homeownership housing in accordance with § 92.254(a)(9)) to a project previously assisted with HOME funds during the period of affordability established by the particular jurisdiction in the written agreement under § 92.504. However, additional HOME funds may be committed to a project for up to one year after project completion (see § 92.502), but the amount of HOME funds in the project may not exceed the maximum per-unit subsidy amount established under § 92.250.

(7) Pay for the acquisition of property owned by the participating jurisdiction, except for property acquired by the participating jurisdiction with HOME funds, or property acquired in anticipation of carrying out a HOME project; or

(8) Pay delinquent taxes, fees or charges on properties to be assisted with HOME funds.

(9) Pay for any cost that is not eligible under §§ 92.206 through 92.209.

(b) Participating jurisdictions may not charge monitoring, servicing and origination fees in HOME-assisted projects. However, participating jurisdictions may charge nominal application fees (although these fees are not an eligible HOME cost) to project owners to discourage frivolous applications. Such fees are applicable credits under OMB Circular A-87.
